Hi David,

Hopefully a quick 2 questions for you: Do either Boulder Scientific or Advanced Forming Technologies have outstanding enforcement issues with CDPHE? Also, do you know if either of the companies has a parent company?

BOULDER SCIENTIFIC CO MEAD FACILITY (BOULDER SCIENTIFIC CO)	598 THIRD ST, MEAD, CO 80542
ADVANCED FORMING TECHNOLOGY (ARC GROUP WORLDWIDE INC)	7040 WELD COUNTY RD 20, LONGMONT, CO 80504

If you could copy Bill Kennedy in your response, that would be great. He's copied on this message. I'm in the field and it looks like Bill needs this info soon.

Thanks,  
Cindy

Good afternoon Kathy,  
The five facilities included are ones that have strong green chemistry efforts, especially TTM Technologies. Can you check these facilities for enforcement issues?

Thanks.
